Advisor Fiduciary Assessment Outreach Proposal

Subject: Fiduciary Health & Fee Diagnostic for JPs Consulting Engineers LLC 401(k) Plan

Dear Plan Sponsor at JPs Consulting Engineers LLC,

I recently conducted a comprehensive fiduciary health audit of the Department of Labor Form 5500 filings for the JPs Consulting Engineers LLC 401(k) plan. Based on our analysis, we identified key opportunities to optimize your plan design, enhance participant returns, and insulate your committee from regulatory risk.

Specifically, our analysis flagged the following areas for immediate review:

- ****Excessive Plan Fees**:** Your plan administrative fee ratio is currently running at 0.73% (73 bps), which exceeds the 60 basis points industry threshold. As fiduciaries, plan sponsors are legally required to verify that recordkeeping, advisory, and administrative costs are reasonable. We can help execute a fee compression audit to reduce vendor drag and boost employee savings.

We would love to offer your committee a complimentary, side-by-side benchmarking report that details actionable steps to minimize fiduciary risk and elevate employee retirement success.

Are you open to a brief 15-minute call next Tuesday or Thursday to walk through our findings?

Best regards,
