Subject: Fiduciary Health & Fee Diagnostic for Walker-Dixon Orthodontics 401(k) Plan

Dear Plan Sponsor at Walker-Dixon Orthodontics,

I recently conducted a comprehensive fiduciary health audit of the Department of Labor Form 5500 filings for the Walker-Dixon Orthodontics 401(k) plan. Based on our analysis, we identified key opportunities to optimize your plan design, enhance participant returns, and insulate your committee from regulatory risk.

Specifically, our analysis flagged the following areas for immediate review:

- ****Historic Compliance Alert**:** The filing records historic corrective distributions. Compliance testing failures are costly and administratively intensive. We can structure safe harbor provisions or restructure matching parameters to prevent future non-discrimination failures.

We would love to offer your committee a complimentary, side-by-side benchmarking report that details actionable steps to minimize fiduciary risk and elevate employee retirement success.

Are you open to a brief 15-minute call next Tuesday or Thursday to walk through our findings?

Best regards,
